Re: Recent Monitoring in accordance with a state preservation easement created in 2008, Rusk County Library, Henderson, Rusk (Easement, SAL, RTHL)

Dear Judge Boyd,

The above listed property includes an easement held by the Texas Historical Commission (THC). Under the terms of the easement, the property is to be maintained at a certain level to preserve its historic character, and to protect the work that was previously funded or approved by the THC. The THC conducted an on-site inspection of your property on 9/23/2025. This letter is to let you know that your property is in good standing.

Thank you for your interest in the cultural heritage of Texas. We look forward to further consultation with your office and hope to maintain a partnership that will foster effective historic preservation. If you have specific questions about your property and the THC assessment, or if we can be of further assistance, please contact Sheena Cox at 737-587-5134 or at *Sheena.C@thc.texas.gov*. If you would like more information about the THC Easement Program, please contact Ashley Salie at *Ashley.Salie@thc.texas.gov*.

Sincerely,  
Sheena Cox, Ph.D., Historic Architectural Easement Monitor
